

LOCAL GOVERNMENT GOVERNANCE SPECIALISTS

Professional Advice, Practical Solutions

GOVERNANCE SUPPORT

Our governance specialists collaborate directly with you to achieve compliance objectives and enhance results. With a customised approach, we offer professional support, practical solutions, and training to match your needs.

We provide the following governance support services to WA local governments:

Policy Review and Development

We can assist to review the appropriateness of Council policies for currency and alignment to legislation and other policies. This review also identifies opportunities to update and develop new policies to guide and support achieving the strategic direction set by Council.

Procurement Reviews

We help you identify and review specific areas within your purchasing processes and practices, providing insights into how you may reduce and manage procurement risks.

Risk Management

Our practical and scalable risk management service is available to assist with understanding your local government's current risk environment. Our service aims to provide expert advice and support through services such as risk management training and reviews. We can also assist with developing practical risk management strategies to articulate and guide your organisation's approach to risk management.

Audit and OCM Agenda Items

Drafting of fit for purpose agenda items, supporting compliance, risk management and strategic objectives.

Compliance Audit Returns

Independent review and preparation of the return.

Statutory Registers Maintenance

A user friendly register system, embedded easily into your website.

THE RIGHT FIT

Extensive experience, integrity and knowledge combined with thoughtful innovation means Moore Australia (WA) has the capacity and capability to do the job right the first time, taking only the amount of your time necessary to deliver quality outcomes.

PROFESSIONAL AND EXPERIENCED TEAM

Our team possess the right skills, experience and knowledge to meet your needs, with in-depth understanding of the local government industry, in particular all the relevant requirements with respect to governance and compliance services, internal audit, system and procedures reviews and risk management.
